Application Programmer Analyst

Description

We are looking for multiple full-time Application Programmer Analysts to design, develop, and support general computer applications using modern front-end, back-end, cloud, and DevOps technologies. The role involves working in Agile/Scrum environments and requires travel to various unanticipated client locations across the USA.

Responsibilities

- Design and develop general computer applications.
- Build responsive and cross-browser compatible web applications using: HTML5, CSS3, JavaScript, jQuery, React.js
- Work with data interchange formats such as JSON and XML.
- Utilize version control tools such as Git, GitHub, and Bitbucket.
- Use development environments like Visual Studio Code and Eclipse.
- Perform testing using Selenium WebDriver and Cucumber.
- Work in Agile/Scrum environments using JIRA and Confluence.
- Develop and maintain applications using SQL, SAS, R, and Python.
- Work with APIs and integrate third-party systems.
- Utilize Cloud & DevOps tools such as Jenkins, AWS, and Azure.
- Support platforms and systems including RAVE, Veeva CDB, MDR, DMW, ELLUMINATE, and Inform.
- Travel to various unanticipated locations across the USA for client assignments.

Qualifications

- Minimum 2 years of experience as a computer software professional.
- Willingness to travel to various unanticipated locations across the USA as per client requirements.
- Ability to work on client assignments with unpredictable travel schedules.

Nice to Have

- Experience with Cloud & DevOps tools (Jenkins, AWS, Azure).
- Experience in clinical/data management tools (RAVE, Veeva CDB, MDR, DMW, ELLUMINATE, Inform).
- Strong knowledge of cross-browser and responsive design.
- Experience working in Agile/Scrum environments.

Education

Bachelor's degree in computer science, Information Technology, Engineering (any), or related field.

Job Benefits

We offer more than just a job—we offer a community:

At Ancore, we provide exceptional benefits, including competitive Paid Time Off, comprehensive Medical, Dental, and Vision Insurance, and a robust 401(k) plan. But we don't stop there.

We invest in your potential:

Every member receives a dedicated stipend to pursue professional development—be it certifications, a master's degree, or even a doctorate. We encourage growth through flexible learning options, whether you're taking a course, earning a certification, or attending a conference. Curiosity is celebrated here, and continuous learning is a cornerstone of our culture.

We work hard—and make time for joy:

Ancore, fun isn't an afterthought. From virtual and in-person events like happy hours, holiday parties, and wellness challenges to annual celebrations and charity galas, we believe in fostering connection, creativity, and community spirit.

Diversity is our strength:

As an Affirmative Action/Equal Opportunity employer, Ancore makes all employment decisions based on merit, qualifications, and business needs—never on personal attributes or backgrounds. Everyone deserves a workplace where they feel valued and respected.

Access for all:

We are committed to inclusion and providing reasonable accommodation to ensure all qualified individuals with disabilities can thrive in their roles.
