Senior Java Full Stack Developer

Description

At ANCORE, we foster a culture where our people come first. We refer to our employees as 'members' to emphasize that everyone who joins us becomes a co-owner in our journey—sharing both the rewards and challenges of building a world-class business. As one of the world's largest independent firms in information technology and business process services, our continued success hinges on attracting and retaining top-tier professionals like you.

Responsibilities

- Help team in migrating Spring Boot Java based microservices from OCP cluster to AWS EKS cluster.
- Migrate JDK 1.8 services to JDK 17.
- Help the team in performance and stress testing.
- Participate in release process and documentation.

Qualifications

- 5-7 years of IT experience in design, development, integration and testing of software solutions based on J2EE technologies.
- Understanding of AWS services, particularly EKS.
- Familiar with frameworks such as Spring, AWS, Kafka and other DevOps tools.
- Proficiency in Jenkins for building and automating CI/CD pipelines.
- Understanding of RESTful services and SOAP.
- Familiarity with ActiveMQ as a message broker.
- Experience with Apigee API Management Platform.
- Experience with Angular.

Preferred Skills

- Excellent problem solving and analytical, and technical skills.
- Ability to think critically and act expeditiously to evaluate situations, make decisions and solve problems.
- Flexible and versatile to adapt to any new environment and work on any project.
- Strong oral and written communication skills, and ability to work well with a variety of personalities.
- Ability to work effectively with continuous change and short deadlines

Job Benefits

We offer more than just a job—we offer a community:

At Ancore, we provide exceptional benefits, including competitive Paid Time Off, comprehensive Medical, Dental, and Vision Insurance, and a robust 401(k) plan. But we don't stop there.

We invest in your potential:

Every member receives a dedicated stipend to pursue professional development—be it certifications, a master's degree, or even a doctorate. We encourage growth through flexible learning options, whether you're taking a course, earning a certification, or attending a conference. Curiosity is celebrated here, and continuous learning is a cornerstone of our culture.

We work hard—and make time for joy:

Ancore, fun isn't an afterthought. From virtual and in-person events like happy hours, holiday parties, and wellness challenges to annual celebrations and charity galas, we believe in fostering connection, creativity, and community spirit.

Diversity is our strength:

As an Affirmative Action/Equal Opportunity employer, Ancore makes all employment decisions based on merit, qualifications, and business needs—never on personal attributes or backgrounds. Everyone deserves a workplace where they feel valued and respected.

Access for all:

We are committed to inclusion and provide reasonable accommodations to ensure all qualified individuals with disabilities can thrive in their roles.
